**Subject:** RE: Seresto 6a2 Data - Internal Discussion

Hi everyone,

Artic Slope completed the summary of the comments on the CBD petition to cancel Seresto. The folder is located on the H:\ Drive. The path is: H:\Artic Slope Public Comment Dockets\_ITTMD\2021-0409. The spreadsheet is named 2021-0409. It is in Theme order, alphabetically.

PRD is still going through the comments that need additional review. I will send a note to the team once I have identified any additional information for the team's consideration.

Have a great long weekend!

Rachel

This week's agenda:

- 1) Review Seresto technical work plan (Colleen).
- 2) Follow-up discussion with FDA.
- 3) General next steps for the review.
  - How to format beans?
- 4) Housekeeping
  - Go Anywhere – file sharing service discussion.

- Proper labeling of documents – Is it appropriate to start using “internal, deliberative” moving forward?
